Quote

Name : S. Deepan

Reg No : 19MISD102

" Blindness can only exist in your minds . One who has a mind's vision is not blind. "

" We all just to see the world but the blind peoples are feel the world. "

" The best and the most beautiful things in the world cannot be seen or even touched. They must be felt with their heart. "

" Blind people develop a unique  
style of living and white cane  
from an integral part of their life."

" Let us spend some time with  
all those who cannot see the  
vibrant colors of this world."

" A blind person can be differently  
able but in no way is he/she  
less able."

Happy White Cane Day
